Hi Neal – wanted to touch base to see if any other dates have been considered for the public meeting? We are good with dates now since Congress passed a CR through Sept. Let us know what you are thinking!  
 Thanks!

Thank you for the information. We have elected to cancel the 4/19 meeting and we will touch base sometime in May to hopefully get something rescheduled.

Thank you!

Neal,

The short answer is that we do not know. Given the possibility of a government shutdown, our management has asked us not to schedule public events in early May. We want to make sure that we can fulfill our commitments. I am generally free in early May, but I would not want to schedule anything until we are certain that we can attend.

Michael

Hi Diane/Michael,

KPS has been slow to officially confirm the usage of the space and I would like to postpone the meeting to allow residents more time to make arrangements to attend. Are there any other times that would be convenient for you/EPA possibly in early May? I apologize for the trouble.
